

Small BIG story

**OZZIE
FREEDOM**

Once upon a time

there was a girl
who desperately wanted
to become a dancer.

But some “good souls”

took the trouble to remind her
(if she ever forgot for a moment)
that she had such terribly,
horribly crooked legs...

*“S*it tight honey.

Be small and happy.”

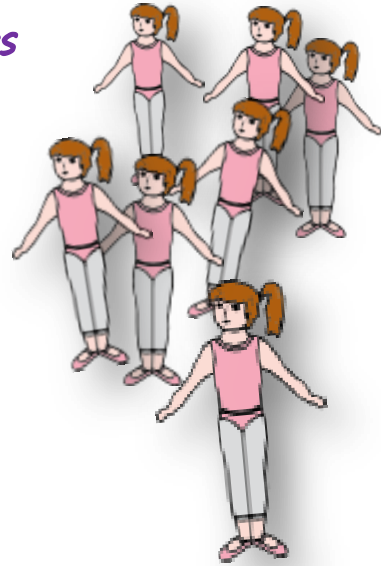

*H*ow - you “good souls” you -
how could she ever be happy
fulfilling your miniature dreams
and burying her dream, how??!

But then one day
the girl got up
wiped off her tears
and invented an awesome dance...
An aesthetic and exhilarating dance -
if you just watched it
you'd start dancing in your seat!
Such moves
that **ONLY SHE COULD DANCE.**

And all the other dancers
tried to imitate her
but they couldn't...
They just didn't have
the legs for the job,
what can you do.

Our girl went up on stage
with a hesitating step...

But when she tried to get down...
they didn't let her!
Flowers --
Flying Kisses --
Thunderous Applause --
"More! More!!!" they yelled.

She became famous.

Very famous indeed.

So many years have gone by

and the story rolled

from mouth to ear

so many times

that the original name of the girl

has been forgotten

from heart and tongue.

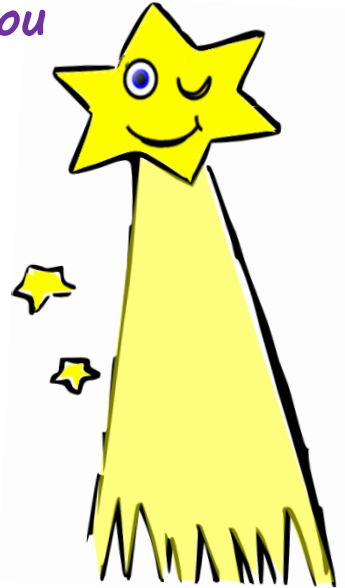

But there is a star with her name!

The name of the star is:

**The Dancer with
the Crooked Legs**

*W*alk out on a clear night

*you will see high above you
a twinkling star
winking at you
like a mischievous eye.*

*I*t is her!

*I*f you ever feel sad or desperate

or if you ever think

“I can take it no longer”

look up to the stars

and remember that girl

the dancer who taught us

*a small **BIG** lesson.*

"The Future Belongs to those
Who Believe in the Beauty of
Their Dreams"

Eleanor Roosevelt
US diplomat & reformer (1884 - 1962)
